

# Continuing Education Verification

## 2022 AAEP Convention • San Antonio, Texas

This certifies that Dr med vet Stéphane Montavon, DVM, PhD attended the following scientific sessions sponsored by the AAEP (Provider #16) in San Antonio, Texas, November 18-22, 2022.

This form is for your own records. **DO NOT SEND TO AAEP.** Use this record to help you meet license renewal or academy requirements. After the meeting, place this completed record in a file along with your registration receipts, program information and notes. Documentation of this type for license renewal and tax deduction purposes is similar. The individual licensed veterinarian is responsible for the accuracy of his or her own CE records. A license renewal form is a legal document that cannot be falsified without risking the loss of your license.

**RACE (Registry of Approve Continuing Education)** has designated the following credit hours for the educational program: **148 hours of medical CE; and 20 hours of non-medical CE, for a total of 168 CE credits offered (32 max being available to any one veterinarian).** Check the sessions that you attend and write the total in the statement certifying your attendance.
